As the TATLER advisor for the past three years I have had the unique position of observing this school in almost every aspect and then interpreting what I see into a long-lasting recorded history. This has been quite an experience and responsibility, especially this years because of the 75th anniversary of the Tatler. I am thankful for the experience and hope that I have done justice to the Tatler in its long tradition at Alton High. I also hope that whoever follows me as advisor will find the position to be as interesting and rewarding as I have found it. I want to thank all of those who have helped with the Tatler the past three years. Especially Jan Teasley who has spent many hours working with the Tatler staff.

ALTON REDBIRD BOOSTER CLUB OPTIMIST CLUB OF ALTON AREA, INC.

The Alton Redbird Booster Club is an organization designed to help Alton High athletic groups. The Club lists about 175 members with about 25 active members who attend the monthly Tuesday night meetings in the high school cafeteria.

Through membership fees, donations, sports programs, and fish fries, the Boosters raise money for equipment and other necessities that the Alton teams need.

The Boosters Clubs major contribution has been the renovation of the West Junior Stadium in the Summer of 1979. Several other groups, including the Alton Police Benevolence Association, Marquette Boosters Club, Alton Foundation, Alton Band and Orchestra Builders and many individuals, provided the money and manpower to completely re-build and resod the playing field and to cover the home-side stadium seats with a fiberglass covering. The next major project will be to complete seating on the other side of the stadium before the next football season.

ALTON BAND AND ORCHESTRA BUILDERS

This organization was developed to promote instrumental music in the Alton School District. Each year A.B.O.B. sponsors fund raising activities to buy instruments, music and other musical equipment. In addition, a summer trip is offered to music students as an incentive to continue to play their instruments and be involved in school bands and orchestras during the summer months. All in all, the importance and value of music in the public schools is the focal point of the Alton Band and Orchestra Builders.

ALTON HIGH THANKS YOU

As inflation and budget cuts in the school district have created financial difficulties for several Alton High organizations, various outside booster groups have heeded the call for help in bolstering a sagging economic situation in these organizations. In appreciation of these groups and all of you that have supported these groups, this page has been dedicated to you.

With "Friend of Youth" as their motto, the Optimist Club of Alton Area, Incorporated have certainly expressed this feeling to Alton Senior High. Giving their time, money, and effort the Optimists have provided a variety of benefits such as scholarships, sports equipment and the loan of their trailer which is used to raise money from fish fries. Alton High Junior Barb Griffin was the recipient of the Youth Appreciation Award which is given each year by the Club. Yet to be given is the Lewis and Clark Scholarship which an Alton High Student will receive. Various Alton High teams have benefited from the Optimists by sports equipment and support. For example money was provided for bases, a batting machine and net, and a shelter house on the baseball field. The Optimists have also helped the soccer teams.

THE SHOW MUST GO ON!

Parents and friends of the students interested in theater organized under the battle cry, "The Show Must Go On!" Together they raised the necessary funds to reinstate the two plays that had been cut from the theater program.

The first step was to form an activating committee, made up of Mr. and Mrs. Don Bryant, Mr. and Mrs. Gene Gelzannis, Mr. and Mrs. Robert Saks, Mrs. Charles Sheppard, Dr. Richard Yoder, and Mr. Edmond Young.

Friends and parents were set up as team captains, and the work began. Money came in from students, parents, friends, theater patrons and local businesses. Indeed, the show will go on!

Twas the day before Christmas vacation . . .

The winning design for Alton's 1981 Motor Vehicle License sticker was created by Kate McConahey. She was one of 21 advanced Vocational Commercial Art students from JB who entered individual design for the competition. Her design de-

picts the lock and dam concept and reflects Alton "moving ahead." Kate was presented with a key to the city of Alton and a gold sealed Certificate of Appreciation.

ABOVE LEFT: Last April Tattler Staff member Dale Davis received word that his photo (as seen in the 1979 Tattler top of page 247) had won a second place ribbon in the sports category in the Southern Illinois School Press Association. Congratulations, Dale!

ABOVE RIGHT: State Representative Paul Findley, seen here with Mr. Kline during his 1979 visit to the Alton High Campus.

RIGHT: During the tree planting ceremony for Charles Richmond, Joseph Westbrook and Robert Gillson, three Alton firemen who died in last year, Student Senate representative Cara Paula accepts the three trees for Alton High. Mr. Simon Olian prepares to speak for the Alton Chamber of Commerce.

FAR RIGHT: After a 1979 awards banquet, senior girls congratulate each other with a last embrace.

Dow Costa was elected Senior Class President last spring. In taking on this office he also claims the title of Activities Board President. This year under Dow's direction the Activities Board has proven itself very competent. Homecoming events, the Christmas Dance and the Sadie Hawkins Dance were all very successful. All of this should help Dow in producing the best Senior Prom ever and a fantastic After-Grad. He has also helped in making the Powder Puff game and Almost Anything Goes a success.

Aside from his work with Activities Board, Dow served as Treasurer of TAMS (Teens at Alton and Marquette) which provides activities to include students from both schools.

Congratulations Dow for a very successful year as the President of the Class of 1980.

SENIOR CLASS PRESIDENT DOW COSTA

STUDENT SENATE PRESIDENT JIM DAVEY

Jim Davey was elected Student Senate President last spring. Under his leadership the Senate has been involved in many activities. They have sponsored a Clean-Up Day to beautify the school, an Easter Seals Dance, a canned-goods drive for the Salvation Army, and a blood drive for the American Red Cross. They are also sponsoring a Cambodian Refugee and a Senior Citizens Program.

Jim attended the 1978-79 I.A.S.C. state convention in Chicago, was involved in the American Legion Boy's State, and was pronounced an honorable citizen. Congratulations Jim for a very successful year.

CENTER LEFT: View of San Salvador

CENTER RIGHT: Junior Debbie and Sophomore Heather Robertson receive native gifts from Telma.

BOTTOM: At the airport terminal, Telma's school principal and classmates see her off.

Telma Melendez is an International Fellowship student following up her education in San Salvador with a year of study in the United States. She has found many contrasts here to her way of life in Central America. For instance, back home there are no frozen pizzas, no dish washers, and a date has to include an adult chaperone.

We hope Telma finds this year at A.H.S. to be an eventful and rewarding experience in her life

This is a tribute to our A.F.S. student, Elaine Mann, from King Williams Town, Republic of South Africa. She is staying with Senior, Donna Aukamp, and her family.

Elaine has had to make quite an adjustment since arriving here in Alton. Our school and its rules; the climate and land; our laws and customs are all very different from what she is used to.

Elaine is taking a full schedule for her senior year at A.H.S. and is planning to major in Journalism when she returns to South Africa.

DANFORTH AWARD

The "I Dare You" Award is given to a AHS junior for their leadership abilities. Last spring Lisa Beckmeyer and Greg Gelzannis were given this award sponsored by the William H. Danforth American Youth Foundation. Lisa plans to attend Purdue University where she will major in pharmacy. Greg plans to attend DePauw University but is undecided in his major.

DAR - SAR

The local chapters of the Daughters of the American Revolution and the Sons of the American Revolution present Good Citizenship awards based on the student's dependency, cooperation, leadership and patriotism. This year's recipients are Susan Ulrich and Dow Costa. Sue plans to attend Illinois State University where she will major in chemistry. Dow is undecided in his college plans.

STATE SCHOLARS -

The following students from Alton High have been awarded Certificate of Merit by the Illinois State Scholarship Commission for outstanding performance in the 1980-81 State Scholar Program Competition. This is determined by a combination of ACT scores and high school achievement.

ABOVE: Sam Mormillo, Robert Hopkins, Todd Reid. ROW 2: Kara Ford, Joan Bockhorst, Dana Bechtold, Cindy Eales, Nan Bockhorst, Lori Brausen. ROW 3: Mary Forbes, Debbie Baker, Jim Stewart, Jay Garvey, Darrell Nolan. ROW 4: Brad Andrews, John Mahony, Mike Sommars, Peter Barban, Diane Husmann. BAUSCH AND LOMB

This year Ken Goodrich received the Bausch and Lomb Science Award. This award is significant as it recognizes the senior student at Alton High who has attained the highest scholastic standing in science subjects. He is now eligible to compete for a Bausch and Lomb Science Scholarship to the University of Rochester. Congratulations Ken!

RENSSELAER

The Rensselaer Medal is given to high school juniors in recognition of outstanding achievements in areas of mathematics. Only schools with superior academic standards may enter students. John Mahony a senior this year is now eligible for the Rensselaer Medal Scholarship. Congratulations John!

NATIONAL MERIT SCHOLARS

This year Alton High is proud to have two semi finalists in the 1979 National Merit Scholarship program. These students are the highest scoring students in the state on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/ NMSQT). These students are Gail Lowe and John Mahoney. Congratulations Gail and John!

Gail Lowe, a senior at Alton High, plans to attend Bradley University where she will major in accounting. John Mahoney, also a senior at Alton High, plans to attend the Massachusetts Institute of Technology where he will major in mathematics.

Seven students from Alton were given letters of commendation for their scores on the PSAT/ NMSQT. These students scored in the top five percent. Pictures are top to bottom left to right:

Janice Anderson plans to attend Yale University and major in biology.

Brad Andrews plans to attend the University of Illinois and major in electrical engineering.

Alice Barnard plans to attend the University of Illinois and major in the Liberal Arts and social sciences.

DONNA DARLING DEDICATES
AUDITORIUM OPENING

"Welcome Home O'Darling One" and "Darling, You're Still the 'One'" were just two of the many banners that were proudly displayed along Alton's very own Broadway as famed actress Donna Darling made her pilgrimage home to dedicate the new Alton Senior High Auditorium. Alton's dignitaries, including A.H.S. Principal Dr. Mike Centerton, greeted Miss Darling at the city limits and then proceeded by motorcade to Alton High, her alma mater.

Miss Darling is presently awaiting some final revisions in her new play "10". Most critics agree that it is ready for the public except for a more realistic title.

TOP: Principal Centerton awaits light cue from technician.

ABOVE LEFT: A read-through of Miss Darling's new play is closely supervised by Dr. Centerton.

ABOVE RIGHT: Students Curley McCann and Veronica Pond receive the first two tickets issued at the new auditorium. It was estimated that the one millionth ticket will be sold at the spring musical in 1980.

LEFT: Dr. Centerton tries to hold back the throngs of autograph seekers as Tatler Photographers Jimmy Olson and Tom Graveson capture the scene.

Students later commented in the "Pen Quill" on Miss Darling's visit:
Curley McCann "She's my 10"
Bert Parks "I've seen better"
Veronica Pond "I've got that beat"
Thespians Peipert "It was real"
Baba Walters "She gave me an exclusive interview that will make me a fortune!"

This year Alton High was selected out of stiff competition to present *Comedy of Errors* at the State Thespian Festival on the Illinois State University campus.

The crowd gave us a standing ovation and the critics were filled with praise for our presentation. They particularly liked the slapstick and gangster routines.

Other events of the weekend included attending theater workshops. I attended workshops on Stage Design (the drawing, planning and illustrating of set designs), Slide Effects in A Dramatic Production (use of rear screen projections), Stage Violence (learning how to give and take falls, slaps, flips and punches),

and finally Stage Combat where we actually had an honest-to-goodness, old-fashioned, punch-out, drag-down saloon fight with bottles, chairs and tables breaking over everyone's head.

There was some time for socializing, too. We met many other Thespians from all over the State, went dancing late into the night, found time to consume a few pizzas, had just enough time to bowl a couple of games before heading home.

We arrived back in Alton completely exhausted, but with the satisfaction of a job well done. P.S. Hello Room 50, from Room 66.

IMAGINE THAT!

IMAGINE THAT! was the title for the 1979 Summer Chorus Production at Hatheway Hall. The musical, directed and produced by Ron Kelly, employed the various singing, dancing, and acting talents of students from Alton High and 15 other local schools. The show was a mixture of music and comedy concerning life's fascinations such as magic, childhood, future, fantasies, inventions, and dreams.

ABOVE: Removing make-up after a night's performance.

RIGHT: Mr. Davenport recognizing the new members in Troupe 126 of the International Thespian Society.

In addition to acting thespians have many other duties. For example, about 3 weeks before a performance, the actors and costume crew make a trip to a St. Louis costume shop to select and fit costumes for the up-coming play. We also are responsible for ticket sales, make-up, props, lighting, sound and set building.

Another important thespian activity is fund raising for next years plays. The Show Must Go On!

On the night of a performance the director and other faculty sponsors are sitting out in the audience, so it's up to us back stage and on stage to put on a good show.

It's been a long but rewarding year for me as an Alton High Thespian and Tatler '80 staff member. As Theater Section Editor, I had the opportunity to cover plays and other thespian activities. I've photographed, printed, layed out and written up the pages you are presently reading.

These pages are my way of showing you the activities of theater involved students. This year, unlike any previous year, we honored National Theater Week and were privileged to take Comedy of Errors to the state festival. We were pleased with the great success of You're A Good Man Charlie Brown. The advertisement for The Night Thoreau Spent In Jail has been posted. And, final call for Music Man tryouts is going on while I'm finishing this page. (I hope to make costume crew again!)

It's just hours before the final deadline for Tatler '80 and I can humbly say that this is the best Theater Section in 75 years of Tatler production.

This is Chris O'Neal signing off for the last time from Room 811.

* Indicates that he or she is a member of Troupe 126 of the International Thespian Society, an honorary organization with the purpose of encouraging participation in dramatic activities in the High School and honoring students who have excelled in that field. To become a Thespian a student must earn points in more than one production and in more than one type of activity. Ten points are required for membership, and a Thespian continues earning credit after election to the troupe. If he earns 60 points a considerable achievement-he is awarded the rank of Honor Thespian.

BELOW: Marc Harris, with a very strong service.

RIGHT: David Lopez was district singles champion for the fourth straight year.

BOTTOM LEFT: Dale Davis, a very powerful player.

BOTTOM RIGHT: With smashing overhead is Greg Gilzinnis.

The 1980 team will consist of seven determined young men, which are Dale Davis, Marc Harris, Joey Ingram, Tom Walters, Greg Gilzinnis, Shawn Adler, and Trefon Siampos. Tatler Staff wishes them the very best. They have a standing reputation to uphold from the 1978-79 season.

LEFT: Mike Williams had a total of 16 wins and only 3 losses.

TOP MIDDLE: Trefon Siampos demonstrates his unique serve.

ABOVE: A very consistant player: Tom Walters.

MIDDLE: Bill Mermis with a double-handed forehand.

LEFT: Joe Stump had a total of 14 wins and 4 losses for the season.

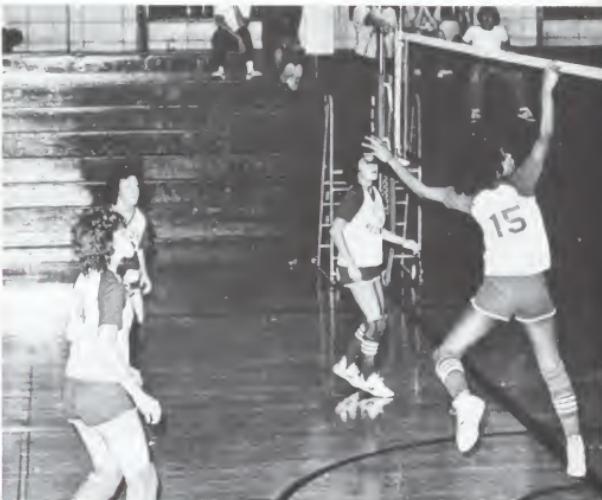

REDWINGS VOLLEYBALL

(UPPER RIGHT) Senior Yvonne Elliott in position her overhead set.

(LOWER LEFT) Sophomore Jean Tammer promising offensive player.

The Redwings improvement and ability was not shown in their record. However, they improved tremendously in comparison to previous years.

Karen Tarrant lead in scoring for a season total of 117 points and Diane Ruby followed closely behind with 115 points. We were more aggressive than in previous years with Jean Tanner as most offensive player. Jean was helped with effective offensive plays by Traci Vaughn, Yvonne Elliott, and Diane Ruby. Most valuable player was Diane Ruby, captain, of the varsity squad. They worked hard and deserve this recognition. Defeated in districts by Wood River. Record: 4-16

(MIDDLE) Senior Yvonne Elliott performs one of her many good deceptive dinks against E. ST. Louis Flyers.

(LOWER RIGHT) Time out for a change of strategy.

UPPER RIGHT: Senior Diane Ruby preparing for her hard hit serve, Diane was second for points.

UPPER RIGHT: Senior Karen Tarrant No. 14, setting ball for attack by Jean Tanner No. 21. Karen was an outstanding setter for them.

CENTER: Senior, Jenny Maynard setting the ball for our offensive play.

BELOW: Anticipating an offense from opponent. Keeping their eye on the ball.

BOTTOM RIGHT: Jean Tanner, defensive dig pass to setter Karen Tarrant.

BOTTOM LEFT: Senior Traci Vaughn attempting an offensive dink. Traci helped the team with her aggressive spikes and dinks.

The 1979 golf team saw an up and down year. The Redbirds started fast with a 9-2 record but fell to an 11-8-1 overall for the year. They entered the Quincy Invitational Tournament, finishing 9th out of 10 teams. The team also entered the 4th annual Granite City North Scramble, where they finished a respectable 2nd place out of 10 teams.

Alton golfers narrowly missed going to the sectional tournament by finishing 5th behind O'Fallon, Belleville East, Belleville, West, and Edwardsville. Tom Albrecht was low medalist with 82.

This year's starters (all seniors) according

to their averages are: Brent Reiske, 40.1; Tom Albrecht and Robert Hopkins, both 40.5; Dave Jacoby, 41.7; Todd Reid, 41.9; Eric Wendle, 42.8; Mike Wisema, 43; and Debbie Sanders, 44. Debbie took second place in the girls' district at Edwardsville and finished 4th, one stroke away from going to the state finals at Bloomington.

Next year's team has some promise if the returning lettermen work hard over the spring and summer. The team will be led by Dave Stites, Brad Kamp, Clint Gray, Steve Elzy and Dave Farrow.

The 1979 Redbirds began the season with hopes of having one of the most successful teams in years. A heartbreaking 9-7 opening season loss to eventually undefeated Hazelwood East proved to be a preview of what was to lay ahead for the Birds. Last second losses to East St. Louis Lincoln (19-16) and Belleville East (33-29) were just other examples of how a 1 win and 8 loss campaign can come about to a team which had such high hopes. Although disappointed by their record, the team was not without its individual standouts. All-State Quarterback, Ron Raglin, and Noseguard, Greg Bock, were outstanding all season and were voted Co-Most Valuable Player winners. The team also voted Greg the Most Valuable Defensive Lineman, Jim Ehlers Most Valuable Defensive, John Duval Most Valuable Offensive Lineman, and Roger Holoman and Gerald Dennis the Most Valuable Offensive Backs.

Raglin, regarded by many to be one of the finest Quarterbacks in Alton's history, completed 88 passes for 1283 yds. and 13 touchdowns. He also scored 6 times. Greg Bock was the team leading tackler with 118 tackles.

RATED 8TH IN STATE

The 1979-80 Redbird basketball team is having its most successful campaign since 1959. Currently posting a 18-2 record, the Redbirds have already clinched a tie for the conference championship. By winning their regular season final game against East St. Louis, the Redbirds could win their first out-right conference championship in 21 years.

The Birds opened the season by winning the Glenwood Chatham Thanksgiving Tournament. In their first regular season game they were defeated by Springfield Southeast. The Redbirds then put together a five game win streak that was eventually broken by a win, Chicago St. Pats team in the Carbondale Holiday Tournament. Since the tournament, the Redbirds are riding a ten game winning streak which has vaulted them into the #8 rating of the state's top teams.

The success of the Redbirds is directly attributed to the plays of John Smith and Troy Washpun who have established themselves as one of the finest guard combinations in the state. John is currently averaging 25.1 points, per game with Troy right behind with 17.3. Chuck Williams, Marc Renken, Aaron Parker and Robin Stockard are doing an outstanding job with the inside game, despite their lack of size. Dwayne Williams has done a fine job of coming off the bench to spell the guards when they need a rest or are in foul trouble.

Tatler Staff wishes the Redbirds the best when they go to state!

CLUBS

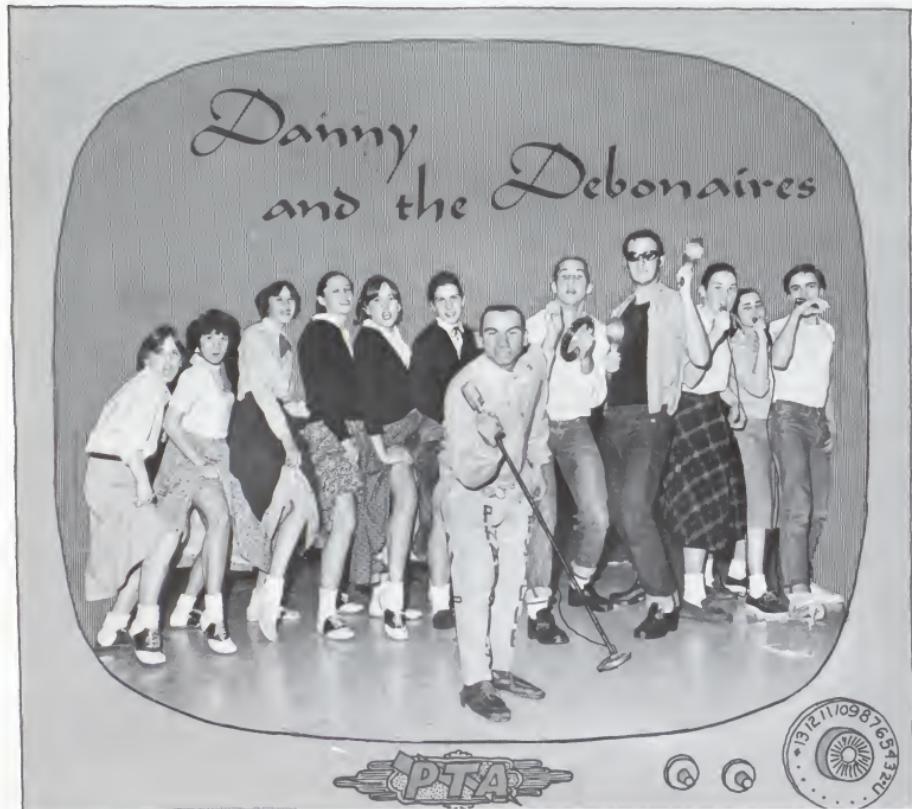

THE AMERICAN BANDSTAND CLUB

The highlight of the school year was watching the debut of our own "Danny and the Debonaires" on nation-wide television.

Danny and the Debonaires, as you know, formed their group from the American Bandstand Club only this year.

Here we see them as they appeared on the Ted Mack Amature Hour singing their favorite song, "Shoo-Be-Do Pot Pie".

CONGRATULATIONS 4th-place winners!

A.F.S.

America Field Service is a very active club. It sponsors A.F.S. students and this year is hosting an A.F.S. teacher, Mr. Lichti from West Germany. The A.F.S. sponsored student, Elaine Mann, is from South Africa. The A.F.S. clubs had a bake sale, picnics and hikes. The aim of the club is to support the A.F.S. Student on campus and class cooperation with the Adult Chapter of A.F.S. in Alton.

The Alton FBLA Chapter has been very active this year. They sponsored a reception for Dr. Middleton, brought in guest speakers for meetings, rang bells for the Salvation Army, bowled for various charities, visited an area nursing home, and participated in many other service activities. The chapter has an awards banquet at the end of the year, and it's induction at the beginning of the year. At this year's induction the chapter had the self-made millionaire, Mr. Frank Ryder as a guest speaker. Members also attended the North-Central Regional Leadership Conference, in St. Louis; the Area Conference, in Centralia; and the State Conference, in Springfield. The chapter is planning to send representatives to the National Conference in Washington, D.C., this summer.

Distributive Education is a program which teaches marketing, merchandising and management. Some areas this program offers are: basic business math, display and promotion, human relations, advertising, personal selling, leadership training, and independent studies. D.E. provides in-class and related on-the-job training which is beneficial in the business field. Many employers have hired students after graduation as full-time employees.

ARCHITECTURAL DRAFTING

The Architectural Drafting classes gain knowledge about the houses that are built. The seniors are responsible for designing the new home to be added to Mason Manor. Besides just doing floor plans for homes, they learn other skills that are being taught to freshmen in trade schools.

This year the clubs main goal was to recruit new members and raise money to replace objects in the classroom. Occasionally the club has a party and it is a tradition to help build the Halloween float which this year was the prize winning "DRAGON."

The Building Trades classes spend numerous hours working to complete the ideas compiled and submitted by other classes at the J. B. Johnson Center. With the original house plans designed by the Architecture class of 1978, 79, the Building Trades class of this year begins the foundation from a pre-dug basement. Using the skills they have learned in surveying, brick-laying, tiling, and other carpentry, they ready the house for further work. For example, through the year Electricity class wires the house, Interior Design selects carpets, paneling, cabinets, wallpaper and various other items to decorate the inside of the house. All this is done while Agriculture and Horticulture classes work on the surrounding grounds preparing the house to be sold.

F.H.A. is the local chapter of the national organization of students studying homemaking in high school. The goals of F.H.A. are to foster creative leadership, promote good will, provide interesting individual and group activities, develop appreciation of the homemaking arts, and to encourage further interest in home economics. Some of their activities for this year have been a bowling party followed by some large pizzas, an afternoon of candy making to prepare for the holidays, a sweetheart cake decorating demonstration for the F.H.A.'er's February Sweetheart, and a spring flower arranging demonstration. The end of the year highlight is dining out at a fashionable St. Louis restaurant.

The J.B. Johnson Center's practical nursing program has now entered its fourth year. The practical nurse works under the supervision of a doctor or registered nurse. They are responsible for any and all of the tasks performed by medical professionals. Employment opportunity is excellent, pay is good, and the work is rewarding.

The secondary practical nursing program is operating at the same time as the adult practical nursing program. Students will work in school and in the hospital. Secondary stu-

dents may start with their education during their junior year. The class will meet four hours a day, five days a week for two years. During the summer, between sophomore and junior year, the students will attend eight hours a day during the month of August.

Students must be sixteen years of age and have completed two years of High School. The class is open to any student regardless of sex. The size of the class is limited to twenty students.

Activities Board is a branch of Student Council. Its main concern is planning activities for the student body. With committees made up of representatives from each class, many school functions are held throughout the year. Some of the more successful activities have been the Sadie Hawkins, Christmas and Homecoming dances, and also the Almost Anything Goes. To top the year off, Activities Board plans the Junior and Senior Proms — which are considered the two best activities by many couples!

TENTH ANNUAL POWDER PUFF

Alton's Tenth Annual Powder Puff football game, held on Monday, October 9, 1979, ended in victory for the seniors with a final score of 20-12.

Both the Junior and Senior teams spent weeks in preparation for the game. The coaches of each team devoted many hours of time and effort in drilling the girls through vigorous daily practices.

The game proved highly competitive as well as exciting. In addition, the cheerleaders were there to entertain the crowd, and ease some of the tension by adding a few laughs with their outrageous antics.

TOP RIGHT: Jolene takes a spill.

ABOVE: Orvelia Brice starts the game with a powerful kick-off.

CENTER: Diane Dick makes a successful dive for JoEllen Pearson's flag.

RIGHT: Tight-end Cindy Leeds leads the pack.

FAR RIGHT: Running back Cindy Holbrook dodges opponents.

All the hard work put into after school and weekend practices paid off for the seniors. They conditioned themselves into working, not alone, but together, as one team. The pride felt by the seniors was not only the victory in the game, but also for the victory of combining all their talents in accomplishing that goal.

Team members scoring touchdowns for the seniors were Teri McCauley, Jolene Jouett, and JoEllen Pearson. Attempts for extra points were unsuccessful until the third try.

A great deal of credit must go to the coaches who threw themselves whole-heartedly into the difficult task of whipping the senior girls into a winning football team. Those responsible were: Dow Costa, Brad Fields, Jim Hoag, Mark Macias, Doug Rain, and Clint Reinhardt.

TOP: Junior Kelly Kohler displays a common form of determination in getting to the play.

Center: Senior Powder Puff squad is all smiles.

ABOVE LEFT: Unknown to most of the players, the referee flags the play.

FAR LEFT: JoEllen receives a pitch from Quarterback Kelly Cote.

ABOVE RIGHT: Running back Cindy Telmann carries the ball for Juniors.

RIGHT: Quarterback Jeanie Daengsuri prepares to throw a pass.

FAR RIGHT: Juniors rejoice after scoring a touchdown.

JUNIOR POWDER PUFF

The Juniors played a good game against the Seniors. In battling for top position, they pitted their efforts to claim the winning title. Because of their good strategy, the competition was tough. However, it was not enough to overthrow the Seniors, who pulled through triumphantly.

Touchdowns for the Juniors were scored

by Diane Dick and Debbie Russel. Extra point attempts were stopped by senior defense.

Devoting their time and knowledge of football into producing such a competitive squad were the Junior coaches: J.D. Clayton, Kevin Dunphy, Gordon Green, Darrin Jones, Dave Richardson, Kent Scheile, and Scott Wallace.

TOP: Carol Bock hands off to Laurie Witt.

CENTER: Junior Powder Puff squad and coaches for the camera.

ABOVE LEFT: Mary Taul punts the ball across the field.

ABOVE: Cindy Tiemann dodges the oncoming seniors.

MEMORIAM

DOROTHY COLONIUS
1906 - 1979

Dorothy Colonius, an English teacher at Alton Senior High from 1933 until she retired in 1967, had a very special dream which would one day become a reality. She was founder of the organization known today as the Alton Little Theater Showplace. The present theater was completed in 1971 with the foyer dedicated to its founder.

Miss Colonius died on September 16, 1979 but her dream lives on. The theater now has more community support than ever before.

(Taken from "One Woman's Dream" by Randy Greenwell as published in Illinois History.)

Mr. Walter Lichten is one of the 1979/80 Fulbright Exchange teachers from Germany. Mr. Lichten and his family arrived in the states on August 18 for the one year exchange program. He not only traded jobs, but houses and cars with Mr. Joseph Bagley, an AHS foreign language teacher. Mr. Lichten's home state is Rhineland Palatinate, in Southwest Germany along the Rhine River. As a AHS teacher, he has one German and four French classes. He and his sons especially enjoy hunting and fishing whenever they want a restricted privilege in their native Germany. Most of all, he says he's "thankful for the kids at Alton High who became my friends and reached out and touched my heart; I know I shall never forget them."
